DESCRIPTION:

Aerosol flying and crawling insect killer.

AREA:

For use indoors and outdoors.

USAGE DIRECTIONS:

Shake well and remove cap. Cover all food that is exposed prior to using. Spray in room and keep room closed for at least 15 minutes. Ventilate the room when treatment is completed. To kill crawling insects, spray thoroughly into hiding spaces such as cracks, crevices, under refrigerators, etc. Spray directly on insects where possible.

Read and understand label and Material Safety Data Sheet (MSDS) for complete listing of hazards, precautions, first aid statements, storage and handling information. Use according to directions.
