Safety Data Sheet

Issue date:

4/1/2018

Dispose of contents/container according to

local/regional regulations. None known

Product at use Dilution

Section 1: Product and Company Information

Section 1: Product an	nd Company Information				
Product Identifier: Product Code/SKU:	ACS Air Freshener Concentrate 16001606/16001607/16001608/16001609				
Recommended Use: Restrictions on Use: Product Dilution Information	Air Freshener - Alpine / Tropical Use only for purpose found on label.				
Manufacturer: Emergency Telephone:	American Chemical Systems II, LLC 2520 South Sheridan St. Wichita, KS USA 67217 (800)889-3489 americanchemicalsystems.com Chemtrec 1-800-424-9300 USA and Canada				
Section 2: Hazard Id	entification				
	Product as Sold	Product at use Dilution			
GHS Classification:	Harmful if swallowed - May cause gastrointestinal irritation	Not classified			
GHS Labeling Element Signal Word: Symbol:	Warning	No signal word No symbol			
Hazard Statement:	Harmful if swallowed - May cause gastrointestinal irritation	No known significant effects or hazards			
Precautionary Statements:	0				
Prevention:	Wash hands with water after handling	Wash hands with water after handling			
Response:					
If swallowed:	Rinse mouth, do not induce vomiting.	Seek medical assistance if			
If on skin:	Wash with water, remove contaminated clothing.	symptoms persist.			
Inhalation:	Remove person to fresh air - administer artificial respiration if not breathing.				
If in eye:	Flush continuously with water - remove contacts and continue flushing with water.				
Treatment: Storage:	Seek medical assistance if symptoms persist. Keep product stored in original container, in an upright position, with container tightly				

Substance/Mixture: Mixture

local/regional regulations. None known

Dispose of contents/container according to

closed.

Disposal:

Other Hazards:

Substance/ wixture.	Wixture

Media:	No special media necessary. Use extinguishing media appropriate for surrounding fire.			
Special Hazards:	Product is non flammable and is not explosive.			
Advice for Firefighters:	Exercise caution when fighting any chemical fire. Use a water spray to cool containers.			
	Do not enter fire area without proper protective equipment, including respiratory			
	protection.			
Section 6. Accidental Release Measures				

Section 6: Accidental Release Measures

Personal Precautions:	Initiate company's spill procedures. Do not walk through or touch spilled product. Do not					
	get on skin, in eyes, or on clothing. Put on appropriate personal protection equipment.					
Environmental Precautions:	Avoid runoff into public waterways, sewers, or onto soil.					
Methods for Clean Up:	Follow company's spill procedures. Put on appropriate protective clothing. Neutralize/					
	absorb spilled product with inert material. Dispose of inert material by placing in					
	suitable container. Dispose of waste safely. Rinse with water for a final clean up.					
Section 7: Handling and Storage						
Precautions for Safe						
Handling:	Do not get on skin, in eyes, or on clothing. Do not breathe vapor or mist. Do not handle					

Handling: Do not get on skin, in eyes, or on clothing. Do not breathe vapor or mist. Do not handle until all safety procedures have been read and understood. Wash hands and other exposed areas with soap and water after handling. Conditions for Safe Storage: Keep product in original container, in an upright position, with container tightly closed. Keep out of reach of children.

Section 8: Exposure Controls/Personal Protection

Control parameters: Ingredient Name **Exposure Limits** None None Product as Sold **Product at use Dilution Engineering Controls:** Use adequate ventilation. Keep vapor/fumes Normal ventilation should be adequate below statutory limits. Provide availability to control vapor/fumes. to water to flush skin or eyes in case of exposure. Personal Protection: Hand protection: None needed under normal use conditions None needed under normal use conditions Eye protection: None needed under normal use conditions None needed under normal use conditions Skin protection: None needed under normal use conditions None needed under normal use conditions General:

None needed under normal use conditions Respiratory protection: None needed under normal use conditions Wash hands, face, and arms after handling chemical products and before eating, drinking, or using restroom. Wash contaminated clothing before wearing again.

			stroom. Wash contaminat	ted clothing	g before wearing again.
