CLINGY GRILL & OVEN CLEANER

CLINGY GRILL & OVEN CLEANER is an excellent general purpose cleaner and degreaser for all maintenance and cleaning needs. It is an economical and easy to use liquid that will quickly clean greasy soils, atmosphere grime, and processing areas. It removes soils without great effort. It is also an excellent detergent for pressure-spray cleaning operations. It is ideal for cleaning hoods, fans, deep-fat fryers, and processing equipment. This product is rugged enough for all industrial applications.

DIRECTIONS FOR USE

For Spray Cleaning/Manual Application: Spray surface with cleaning solution, diluted as shown below. Allow to penetrate soil. Rinse with potable water. Repeat if necessary.

Light Soils: Use 2-3 oz. per gallon for walls, floors, and tables.

Medium Soils: Use 4-6 oz. per gallon for processing equipment, processing areas, and exterior applications.

Heavy Soils: Use 8-12 oz. per gallon for grills, hoods, deep fryers, and heavily soiled equipment.

NOTE: Do not use on aluminum at dilutions stronger than recommended for **Light Soils**. **Dilutions can be adjusted as necessary to meet cleaning needs.**

**Please consult your Sales Representative or call (888) 260-0201 for additional use directions.*
