FOAMING DEGREASER

Foaming Degreaser is an excellent general purpose cleaner and degreaser for all maintenance and cleaning needs. It is an economical and easy to use liquid that will quickly clean greasy soils, atmosphere grime, and processing areas. It removes soils without great effort. It is also an excellent detergent for pressure-spray cleaning operations. Foaming Degreaser is ideal for cleaning hoods, fans, deep-fat fryers, and processing equipment. This product is rugged enough for all industrial applications.

DIRECTIONS FOR USE

For Spray Cleaning/Manual Application: Spray or wipe soiled surface with cleaning solution. Wipe surface to remove soil. Repeat if necessary.

NOTE: Do not use on aluminum.

*Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.
