

HEAVY DUTY BATHROOM CLEANER

Heavy Duty Bathroom Cleaner is an alkaline, non-corrosive liquid. It is specifically developed for cleaning and daily maintenance of all bathroom hard surfaces such as tubs, tile, shower stalls, shower curtains, bathroom sinks, plumbing fixtures, tile floors and all cultured marble surfaces. The unique nonacid, non-phosphated formulation makes it the housekeeping product of choice for all bathroom cleaning. Heavy Duty Bathroom Cleaner is biodegradable, highly concentrated for economical usage, and suitable for all washable hard surfaces.

DIRECTIONS FOR USE

Directions for Use:

Product may be dispensed into spray bottles or mop buckets. Diluted in spray bottles, it becomes the ideal product for spray cleaning of bathroom fixtures and touch-ups of sinks and counter tops. Dilutions may vary according to severity of soil, type of surface to be cleaned, cleaning method used and other factors.

LIGHT SOIL: Dilute 2 ounces per gallon of water.

MEDIUM SOIL: Dilute 4 ounces per gallon of water.

HEAVY SOIL: Dilute 8-12 ounces per gallon of water.

**Please consult your ACS sales Representative or call 1-800-889-3489 for additional use directions.*
